Question by Burton: What is the best company to invest in for solar energy?

Solar Energy is the wave of the future and growing.. I'm also looking overseas perhaps Germany? Any advice would be helpful!

Best answer

Answer by Laura

SunTech Power (STP)

MEMC Electronics (WFR)

First Solar (FSLR)

HOKU

Akeena Solar, Inc.

ARISE Technologies Corporation [APV.V Canadian Venture Exchange]

Canadian Solar (CSIQ) [NASDAQ]

Carmanah Technologies Corporation [CMH.TO Toronto Stock Exchange]

DayStar Technologies (DSTI) [NASDAQ]

Deli Solar [USA], Inc. (DLSL)

Energy Conversion Devices. (ENER) [NASDAQ]

ErSol Solar Energy AG

Evergreen Solar (ESLR) [NASDAQ]

First Solar (FSLR) [NASDAQ]

Hoku Scientific, Inc. (HOKU) [NASDAQ]

ICP Solar Technologies Inc.

MEMC Electronic Materials Inc. (WFR) [NYSE]

SES Solar Inc. (SESI) [OTCBB]

Solar Night Industries

Solar Thin Films, Inc.

Spire (SPIR) [NASDAQ]

Sunpower Corporation (SPWR) [NASDAQ]

Suntech Power Holdings Co. Ltd. (STP) [NYSE]

Sustainable Energy Tech

TrendSetter Solar Products, Inc.

WorldWater & Power (WWAT)

Xantrex Technology Inc. [XTX.TO Toronto Stock Exchange]

XSunX (XSNX)

There are so much more but those are a few of the biggest in the biz as of right now, since the bipartisan Congress.
